CABIN ATTENDANT

At **AIR OCEAN MAROC**, our flight attendants epitomize professionalism and hospitality.

With extensive experience and continuous training, they prioritize safety while providing exceptional service.

Proficient in multiple languages, they ensure seamless communication with passengers from diverse backgrounds.

Our attendants bring years of expertise, guaranteeing a comfortable journey for all. From safety briefings to personalized assistance, they excel in every aspect of their role, embodying our commitment to excellence.

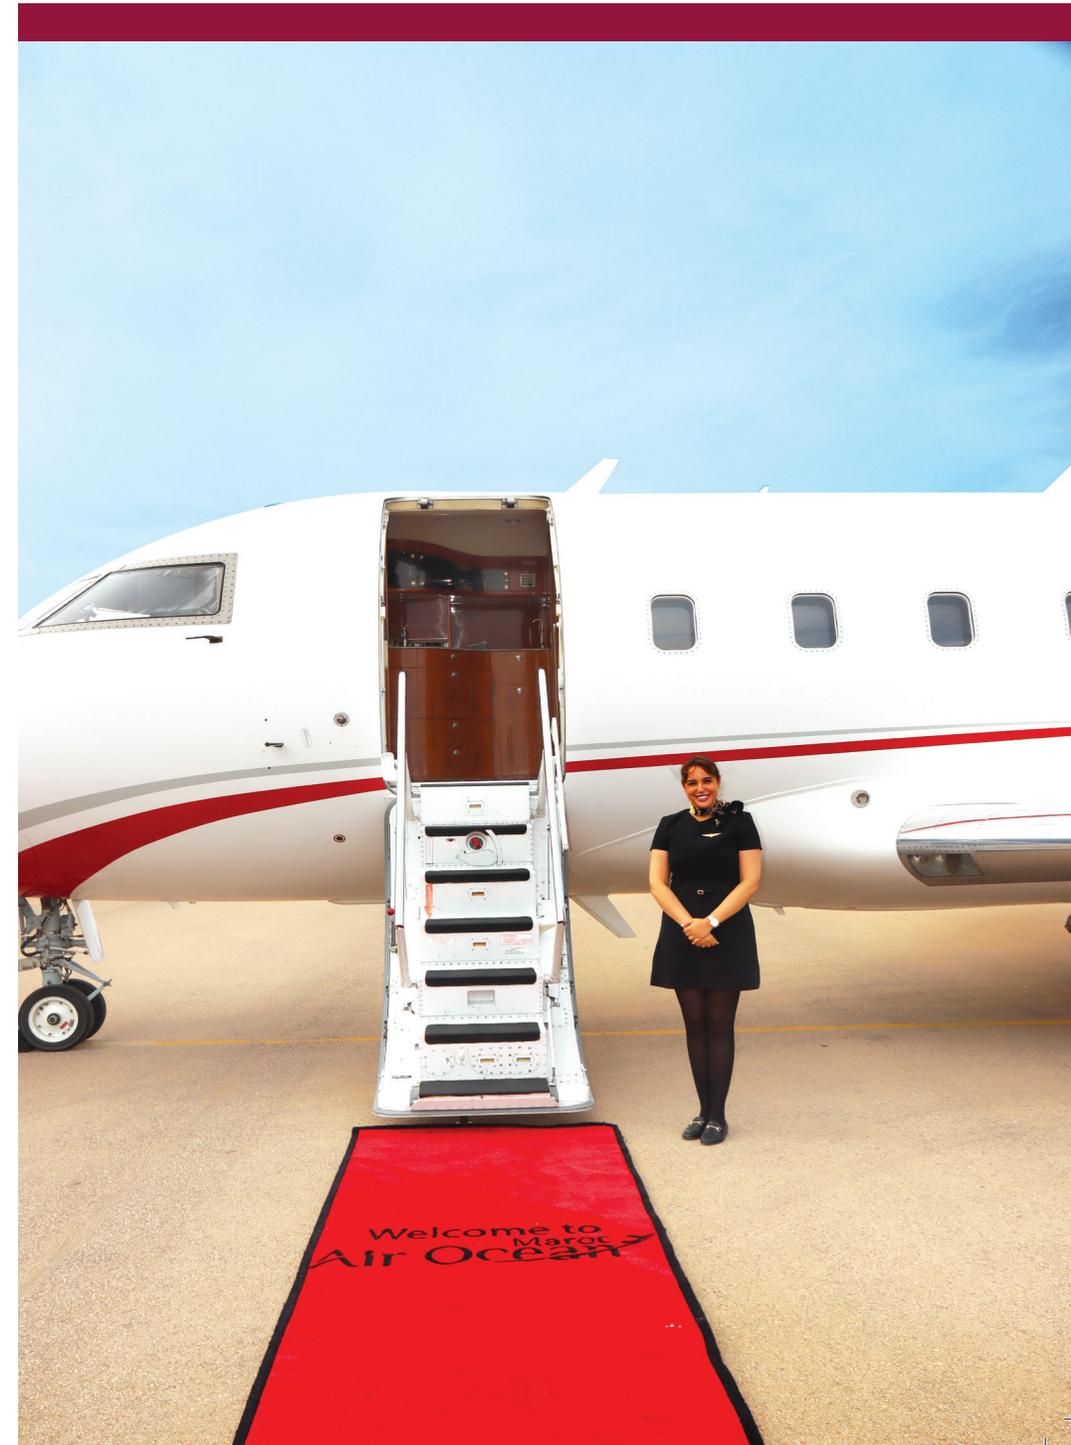

OPERATION AND DISPATCH CENTER

Air Ocean Maroc's Operation and Dispatch Center plays a pivotal role in ensuring safe, efficient, and reliable flight operations. Operating 24/7, our experienced staff meticulously plan flights, optimizing routes and schedules for maximum efficiency. With advanced technology, we monitor weather conditions in real time and serve as a central communication hub, facilitating seamless coordination between all parties involved.

DISCOVER THE DIFFERENCE

Along with maintaining the highest safety standards in the industry, Air Ocean Maroc remains dedicated to serving clients with the highest levels of operating expertise and personable customer service.

CATERING

We take pride in offering a diverse and exquisite catering experience for our passengers. Our menu boasts a variety of options, from gourmet dishes to international cuisine, ensuring there's something to satisfy every palate. We use only the finest quality ingredients sourced from reputable suppliers, guaranteeing freshness and flavor in every bite.

Presentation is paramount to us, with meals elegantly plated and garnished to create a visually stunning dining experience. Whether it's a special occasion or a regular flight, our catering service adds a touch of luxury and sophistication.

Recognizing the significance of allergen awareness, we ensure passengers with dietary restrictions or food allergies are catered to. With our professional catering partners renowned for culinary expertise, every meal is meticulously prepared. Additionally, at our base, we own our own catering facility to further enhancing our ability to deliver top-notch dining experiences. Upholding the highest standards of hygiene and safety, we strictly adhere to food safety regulations.

EMBRAER LEGACY 600

The impressive Embraer Legacy 600 is one of the most popular large cabin business jets in its category. With a 13-passenger VIP seating capacity, it delivers superior cabin volume with three truly separate cabin zones. The outstanding cabin comfort is underscored by multiple interior configurations, seats with full berthing capability, a fully equipped galley, low cabin noise, and the largest in-flight accessible baggage compartment in its class.

Specifications:

Number of seats: 13
Crew: 2

Cruising attitude : 39 000 ft
Cruising speed : 440 Kts

Range of action : 3000 nm
Toilet on board : Yes

CHALLENGER 604

Offering you a productive in-flight experience for flight up to 8 hours in a generous cabin space featuring breathable, articulating seats and large windows for optimal lighting. The Challenger 604 combines range, speed, sophistication, and style. It delivers intercontinental range of almost 4,000 nautical miles, and has room to seat 09 passengers, making it one of the most frequently chartered large jets in business and luxury aviation.

Specifications:

Number of seats: 9
Crew: 2

Cruising attitude : 41000 ft
Cruising speed : 420 Kts

Range of action : 3800 nm
Toilet on board : Yes

HAWKER 850 XPI

The Hawker 850 XPI private jet possesses long-range capabilities as well as one of the largest cabins in the midsize class. Configured to seat 8 passengers, the Hawker 850XPI features almost 40% more space than its closest competitors. This private jet features leather seats, a satellite phone, an Airshow Entertainment System with video monitors, and an exceptional sound system. In addition, the Hawker 850XPI is an improved variant of the Hawker 850XP, with upgraded avionics, increased front and aft baggage volume and usability, user-friendly 15-inch LCD VIP touch screens, and LED cabin lighting for maximum VIP luxurious travel experience.

Specifications:

Number of seats: 8
Crew: 2

Cruising attitude : 41 000 ft
Cruising speed : 420 Kts

Range of action : 2500 nm
Toilet on board : Yes

LEARJET 45XR

The Learjet 45XR exceeds expectations for premium private jet travel. Its spacious eight-seat cabin optimizes comfort within its compact frame. Innovative features like fold-down work tables enhance passenger satisfaction and safety. With advanced turboprop engines, it ensures impressive performance and efficiency, meeting strict FAA standards. The Learjet 45XR stands out as the preferred option for discerning travelers in search of a reliable and cost-effective mid-sized private jet experience.

Specifications:

Number of seats: 8
Crew: 2

Cruising attitude : 41 000 ft
Cruising speed : 420 Kts

Range of action : 2500 nm
Toilet on board : Yes
